

# Laboratory Safety

*Please follow these guidelines to reduce the spread of COVID-19.*

---

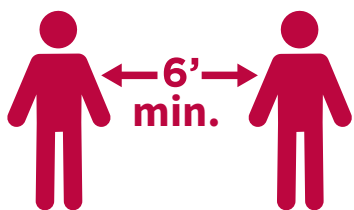

## **Wear a mask**

- Avoid touching your face and mask
- Around hazardous materials:
  - Use a disposable mask
  - Discard the mask before leaving the lab

## **Wash hands frequently**

- Use soap and water or alcohol-based sanitizer
- Minimum of 20 seconds

## **Maintain distance**

- Stay at least 6 feet apart
- Stagger shifts or cohorts to keep lab density low
- Work outside of lab when possible
